Institutional Best Practices

Interfaith Prayer – Promoting Unity and Harmony

DESCRIPTION - MGM Mother Teresa College of Nursing conducts weekly Interfaith Prayer sessions to foster unity, inclusivity, and spiritual well-being among students and staff. The prayer integrates teachings from various faiths, emphasizing universal values like peace, compassion, and service. This practice nurtures cultural sensitivity, emotional well-being, and mutual respect, shaping students into compassionate healthcare professionals. It reflects the institution's commitment to holistic development and harmony.

Environmental Sustainability Initiatives – Creating a Green Campus

PRINCIPAL

DESCRIPTION - MGM Mother Teresa College of Nursing emphasizes environmental responsibility through various sustainability initiatives. Activities such as tree plantation drives, cleanliness drives and energy conservation campaigns are conducted regularly. These efforts not only create awareness about environmental issues but also instill eco-friendly habits among students and staff, fostering a culture of sustainability and responsibility beyond academics.

Water Recycling System – Promoting Environmental Sustainability

DESCRIPTION - MGM Mother Teresa College of Nursing has implemented a water recycling system, where treated and reused water is supplied for flushing in the college building's toilets. This initiative significantly reduces water wastage, promotes resource conservation, and fosters an eco-friendly campus. It reflects the institution's commitment to sustainable practices and environmental responsibility.
