

COMMUNITY SERVICE

**Mahatma Gandhi Mission
MOTHER TERESA COLLEGE OF NURSING
N-6 CIDCO, Chh. Sambhajinagar**

As part of our students' community postings, we conduct various health awareness programs to enhance public health knowledge and outreach. These initiatives include health assessment camps, school health assessments, antenatal health education, sessions on lactation and weaning diets, geriatric care programs, and awareness campaigns on communicable and non-communicable diseases. These activities help students gain practical experience while contributing to community well-being.

A) Extension and Outreach Activities Cleanliness Drive

Cleanliness Drive – Organised at MGM Nursing College Campus on 2nd October, 2024 on the occasion of Gandhi Jayanti
