RE: Ekam Scholarship Award for Nursing Students 2023-24

Dear Principal,

We are delighted to inform you that we have selected the following students from your Institute under the **Ekam Scholarship for Nursing Students 2023-24** of Ekam Foundation Mumbai.

1. Dipali Jadhav
2. Neha Pithore
3. Prerna Sananse

As part of the scholarship programme, we identify aspiring, self-motivated, and driven young girls who wish to pursue professional courses. The award is in recognition of their drive, dedication, and desire to succeed.

The students will be awarded a sum of **Rupees 50,000/- (Fifty Thousand only)** to be utilized by them for pursuing their higher studies. The scholarship amount may be used for college fees, academic programmes, electronic devices, books or exams fees, or for any other relevant expenditure towards their education. Our team will be in touch with them on the disbursement and utilization of the same.

Ekam believes in acting as an enabler to students in their academic and professional pursuits and wishes them the very best in the coming years. We remain committed to providing them with guidance and mentoring as they prepare for their career goals. **Our aim is to support them to stand on their own feet and become aspiring role models to others in society.**

We thank you for your cooperation in providing us with the student names and their details. We hope to continue this association with your institute in the future. We have attached herewith the scholarship letters for the students informing them of their selection for the scholarship. While the students are copied on this email, it would be helpful if you can also inform them. We will be sending the scholarship letter and certificate to them by courier as well.
